GeoCache for College Cash

Wednesday, April 19th (ALL DAY) in the Bryan Library

GeoCache for your chance to win college cash and other prizes! Compete with other college campuses for your chance to win $1500 in money to put towards your tuition. Also compete with the Bryan College campus for your chance to win one of three crisp $20 bills!

Use a QR code scanner app on your smartphone or tablet to go geocaching. Find posters...and leave your answers! The first poster will be found at the library front desk.

To GeoCache:
1. Read a poster (and learn something).
2. Scan the QR codes to find the quiz questions.
3. Leave behind your answer, email address, and campus name.
4. Find the remaining 6 posters placed throughout the library.

Winners will be chosen in a random drawing of students who logged the most correct answers. Winners announced May 1st.

Happening in the Library this Month

National Library Week, Apr. 9th-15th -- National Library Week, sponsored by the American Library Association (ALA), is a time to celebrate libraries and librarians and to promote library use and support. All week in the library there will be a table set up for you to show your appreciation for the BC Library, the staff, and student assistants. The library also wants to show our appreciation for you! Candy will be available to students all week.

Money Smart Week, Apr. 17th-21st -- Money Smart Week (MSW) is a week observed every year by libraries across the country to promote financial literacy. For MSW this year, the BC Library is going to have a central display set up with different money management topics changing each day. There will also be a GeoCache for College Cash event on Wednesday, April 19th. See details above.
